Minutes of the Regular Meeting of the City Council of the City of Roseville, County of Macomb, Michigan, held in said City on Tuesday, July 28, 2009 at 7:00 p.m., local time.

Present:

Absent:

COUNCILMAN moved, COUNCILMAN seconded, to adopt the Resolution to request a Renaissance Recovery Zone for **MP Tool & Engineering Company:**

WHEREAS, the City of Roseville desires to promote economic activity and maintain/increase the number of jobs available to residents of the area, and;

WHEREAS, certain industries in the state are facing difficult times and the tool and die industry, in particular, has sustained losses due to foreign competition and increased productivity, and;

WHEREAS, the designation of a Renaissance Recovery Zone will temporarily reduce the tax burden paid by MP Tool & Engineering Company enabling it to reposition itself to compete globally, and;

WHEREAS, MP Tool & Engineering Company has entered into a collaborative agreement with other business entities having the appropriate North American Industry Classification System (NAICS) codes, and;

WHEREAS, the qualified tool and die business property is properly leased or owned by a tool and die business and used primarily for tool and die operations, and;

WHEREAS, should the area be designated a Renaissance Recovery Zone, property within that zone will be exempt from taxes levied by the city, county, and other units of government as provided under this Act, and;

WHEREAS, we estimate that the tax revenue lost, which is estimated on the attached schedule, would be a small fraction of the benefits the designation of a Renaissance Recovery Zone will bring the community.

NOW, THEREFORE BE IT RESOLVED, that the City of Roseville requests that the State of Michigan designate MP Tool & Engineering Company, 15850 Common Road, Parcel Id#14-07-326-028 and Personal Property Id# 260-25850-00, identified by the resolution a Renaissance Recovery Zone under Public Act 376 of 1996 for the duration of up to _____ years.

MOTION CARRIED UNANIMOUSLY

STATE OF MICHIGAN)
SS)
COUNTY OF MACOMB)

I, RICHARD M. STEENLAND, the duly qualified and acting City Clerk of the City of Roseville, Macomb County, Michigan, do hereby certify that the foregoing is a true and complete copy of the Resolution adopted by the City Council of the City of Roseville, Macomb County, Michigan, on Tuesday, July 24, 2009, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act being Act 267 of the Michigan Public Acts of 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

JULY 2009

TOOL & DIE RECOVERY ZONES
MICHIGAN RENAISSANCE ZONE PROGRAM

The Michigan Renaissance Zone Act, P.A. 376 of 1996 (MCL 125.2688) was amended to allow the Michigan Strategic Fund (MSF) Board to designate an additional 10 recovery zones for a total of up to 35 tool and die renaissance recovery zones ('Recovery Zone'). A Recovery Zone shall have a duration of a renaissance zone status for a period of not less than five (5) years and not more than 15 years as determined by the board of the Michigan Strategic Fund.

To receive consideration for a Recovery Zone designation, businesses must meet the following requirements:

- Obtain an authorizing resolution of support from the local governmental unit where the respective company's parcel of property is located that consents to the creation of a Recovery Zone within their boundaries. The resolution must include the number of years that the city, township, or village is willing to forego taxes;
- Lease or own the parcel of property that is to be included in the proposed Recovery Zone;
- Use the property primarily for tool and die business operations: 75% or more of the gross revenue generated from tool and die operations that take place on the business property at the time of designation;
- Have fewer than 75 full-time employees; OR
- Companies with 75 or more full-time employees are required to enter into a written agreement with the MSF and local unit of government where parcel is located;
- Be classified as one of the following North American Industrial Classification System (NAICS) codes:
  - 333511 Industrial Mold Manufacturing
  - 333512 Machine Tool (Metal Cutting Types) Manufacturing
  - 333513 Machine Tool (Metal Forming Types) Manufacturing
  - 333514 Special Die and Tool, Die Set, Jig, and Fixture Manufacturing
  - 333515 Cutting Tool and Machine Tool Accessory Manufacturing
  - 332997 Industrial Pattern Manufacturing
- Participate in a written collaborative agreement with other tool and die businesses;
- Have a collaborative agreement that demonstrates synergistic opportunities among the companies and must include, but is not limited to, all of the following elements:
  1. Sales and marketing efforts
  2. Development of standardized processes
  3. Development of tooling standards
  4. Standardized project management methods
  5. Improved ability for specialized or small niche shops to develop expertise and compete successfully on larger programs.

The agreement must demonstrate that it will provide its participants enhanced economic effectiveness with respect to each of the elements included in the collaborative agreement .

To apply for consideration for a new Tool & Die Recovery Zone designation, there is an annual competitive process. The deadline date to submit applications will be in September 2009. There must be a minimum of four companies participating in a collaborative agreement. The

©2009 Michigan Economic Development Corporation

maximum number of companies participating in a collaborative is 20.

For companies being allowed to join an existing Recovery Zone, a separate application for this situation must be submitted by the Recovery Zone on behalf of the company joining. A company being allowed to join still must meet all the requirements in the law and all collaborative members must consent to a new company becoming a member. Applications for this circumstance will be accepted on an ongoing basis until October 2009. Recovery Zone designation would become effective the year after designation. The company would have a limited duration time that could not exceed the Recovery Zone's original maximum allowable 15 year duration. A list of Recovery Zone contact individuals is on the Michigan Economic Development Corporation℠ (MEDC) Web site.

Companies must be current with all state and local taxes in order to be eligible for benefits under the program.

Taxes that companies located in a recovery zone do not pay: Michigan Business Tax (MBT), state education tax, personal and real property taxes, and local income tax where applicable. Taxes still due are those mandated by the federal government, local bond obligations, school sinking fund or special assessments. Companies are not exempt from paying Michigan sales tax. The State of Michigan reimburses intermediate school districts, local school districts, community college districts and public libraries where taxes are abated. The State of Michigan does not replace the tax revenue lost to the local unit of government or other taxing jurisdictions except those listed in the preceding sentence.

Companies must still file annual Michigan Business Tax (MBT) returns and city income tax returns if applicable. Companies must still file an annual Personal Property Statement. Failure to submit these tax forms will result in delinquency and a business can be denied benefits of the program for failing to file the proper annual tax forms.

Taxes can be abated up to 15 years. In all cases, the tax relief will be phased out in 25% increments over the last three years of the zone designation.

For answers to questions regarding NAICS codes, visit the U.S. Census Web site at **http://www.census.gov/eos/www/naics/faqs/faqs.html.**

A Tradition of Excellence

MP Tool & Engineering designs and manufactures work holding equipment – its core products being chucks (devices for holding work or tools in a machine) and gages. With a heritage that dates back to 1946, the management of MP Tool & Engineering has grown the business into a customer focused, highly skilled company well versed in translating application needs into high quality, specialty workholding products.

MP Tool & Engineering has a long, successful history of serving diverse industries both domestically and internationally:

- *Automotive*
- *Medical*
- *Marine*
- *HVAC*
- *Ordnance*
- *Lawn & Garden*
- *Farm Implement*
- *Motorcycle*
- *Heavy Equipment*
- *Aviation*
- *Wind Energy*

While the demands of these industries have changed dramatically over the years, MP Tool & Engineering has met the challenge by adapting to their unique requirements, standing firmly behind its products with engineering, technical and service support.

In an extremely competitive industry, MP Tool & Engineering maintains its professional edge by:

- Focusing on "customized" and "specialty" workholding rather than quantity driven standard product lines.

- Maintaining and in-house service organization to assist customers in the proper use and functioning of our products.

- Implementing systems and procedures designed to improve quality and reduce costs.

- Meeting the standards for ISO-9001 and QS-9000 certification.

Effective Communications…The Key to Success

A successful product is the direct result of how well a company listens and communicates. The MP Management Team has created an environment that maximizes the input from our customers, engineers, sales personnel, and machine technicians. This enables us to solve the most difficult and demanding tasks. Through effective communication, teamwork, and advanced technological awareness, our customers are assured the best possible solution for their workholding needs.

Current Facts

MP Tool & Engineering Company has been a corporate resident of Roseville since 1978

Currently employs 11 full time employees, down from 32.

9% of current employees are Roseville residents.

Average hourly wage including health care benefits is $27.94

Disc - Spec 7-21-09

MOTION MADE BY:_____

MOTION SECONDED BY:_____

TO AMEND AN ORDINANCE OF THE CITY OF ROSEVILLE BY AMENDING CHAPTER 290, ARTICLE IV, TO EXPAND REMOVAL OF SIDEWALK OBSTRUCTIONS IN ALL ZONING DISTRICTS OF THE CITY OF ROSEVILLE, TO PROVIDE TIME PERIOD IN WHICH TO PAY COSTS AND EXPENSES, TO AMEND THE APPEAL PROCESS, TO PROVIDE FOR REPEALER, SEVERABILITY, AND EFFECTIVE DATE.

CITY OF ROSEVILLE
MACOMB COUNTY, MICHIGAN
ORDINANCE NO._____

THE CITY OF ROSEVILLE ORDAINS:

AN ORDINANCE OF THE CITY OF ROSEVILLE BY AMENDING CHAPTER 290, ARTICLE IV, TO EXPAND REMOVAL OF SIDEWALK OBSTRUCTIONS IN ALL ZONING DISTRICTS OF THE CITY OF ROSEVILLE, TO PROVIDE TIME PERIOD IN WHICH TO PAY COSTS AND EXPENSES, TO AMEND THE APPEAL PROCESS, TO PROVIDE FOR REPEALER, SEVERABILITY, AND EFFECTIVE DATE.

Section 1. Chapter 290, Article IV, § 290-18 is hereby amended to provide as follows:

§ 290-18 Time limit for removal of ice and/or snow.

In the case of snow and/or ice, the same shall be removed from sidewalks within the City of Roseville within twenty-four (24) hours after the cessation of any snowfall, or in the case of commercial or business districts, by the beginning of business hours of the next business day following such weather event, whichever period is shorter.

Section 2. Chapter 290, Article IV, § 290-20(A) is hereby amended by deleting "in all business and commercial districts" in the first sentence. Further, reference to "agency" should be changed to "contractor", and the payment period should be reduced from "60" days to "thirty (30)" days.

Section 3. Chapter 290, Article IV, § 290-20(B) is hereby amended to provide as follows:

B. In the event that the Department of Buildings and Inspection, through a proper department or contractor of the City, clears the sidewalk of snow and/or ice or removes any other foreign objects from the sidewalks and makes the same free for passage, it shall then be the duty of the City Manager or his or her designee to cause the costs incurred to be charged against the premises and collected according to the provisions of this article. Any person aggrieved by the costs incurred may have a right of appeal first to the Building Director, and if determination at that level is unsatisfactory, they may appeal it further to the City Manager. The City Manager shall have the right to affirm, overturn, modify the decision of the Building Director in whole or in part. The decision of the City Manager shall be final.

Section 4. Chapter 290, Article IV, § 290-21 is hereby amended by deleting "in all business and commercial districts" and changing "agency" to "contractor"

Section 5. **Repealer.** Any section herein that is in conflict is hereby repealed.

Section 6. **Severability.** If any word, clause, sentence, paragraph or provision of this ordinance is deemed to be invalid by a court of competent jurisdiction, such word, clause, sentence, paragraph or provision so designated shall be deemed severable and the remaining provisions of the ordinance shall be deemed fully enforceable.

Section 7. **Effective Date.** The terms and provisions of this ordinance are deemed to be an emergency ordinance which shall become effective upon publication and adoption.

RE: Petitions of National Pollution Discharge Elimination System (NPDES) Phase II General Permits (Permit Nos. MIG 61000 and MIS 049000)

Dear Mr. Dolan:

As you are aware, I am currently representing the City of Roseville in the aforementioned matter. Recently, however, I have moved my practice to the law firm of Giarmarco, Mullins & Horton, P.C. in Troy, Michigan.

It is my intention to continue representing the Petitioners on this matter upon approval of the individual communities, whereby I have received no objection to date. If that is satisfactory to the City, please complete the attached Attorney-Client Fee Agreement. As you will note, I have indicated in Section 3.3 that the City will be only charged the proportional share of the total time billed to this file as I currently represent both Wayne and Oakland Counties, as well as 14 other individual communities.

Please forward the executed Agreement to my attention in our Troy office. If you do have any questions, please feel free to contact me at my direct line above.

Very truly yours,

GIARMARCO, MULLINS & HORTON, P.C.
