Dear City Council:

The purpose of this letter is to formally request that Holy Innocents be included on the September 25th meeting agenda. Our parish is requesting permission to sell pumpkins for Halloween as a fundraiser. The dates and hours of operation would be October 1st thru October 31st from 9am – 8pm. We will set up in the Northeast area of our parking lot adjacent to Frazho Road. A drawing is attached for your review.

I hope this brief summary will give you the necessary information regarding our planned pumpkin sale. We respectfully ask the City of Roseville to waive the permit charge associated with conducting this sale. Our pumpkin coordinator from last year, Mr. Tom French, will represent us at the meeting, as I have a Parish Council meeting that night.

We appreciate your attention to this matter and look forward to many years of continued community service. If you have any questions, please contact the Rectory at 777-7543 or Michelle Glandon at

RE: Council Meeting Agenda Item – Resolution Request for MNRTF Grant Application

The Michigan Department of Natural Resources recently sent me a preliminary summary evaluation of the Huron Park Improvements Grant request. They requested clarification on a few items in the grant request. The items included resurfacing the small southeast parking lot, providing an access path from the parking lot to the skatepark, use of environmentally design features and clarification on matching funds. Attached is a draft of the Application Supplement for your information. The above items added $16,000 to the total project cost, which in turn changed the matching grant slightly. The total project cost is now $494,000. Our match is $154,000, which is a 31% match. $134,000 is budgeted general funds with $20,000 is force account labor match.

Please consider this request to place on the agenda for the September 25, 2007 City Council meeting to following item:

Request Council Resolution in support of 2007 Michigan Natural Resources Trust Fund Grant Application for installing a Hike/Bike Path, Skate Park and expanding the south parking lot at Huron Park.

This is the same grant in which a resolution was passed on March 27, 2007. Should you have any questions regarding this request please call me at 586-445-5480.

Specifications were prepared for the Year 2008 Annual Calendar. Bid invitations were sent to twenty-seven (27) companies with one (1) company responding with a quote.

Tony Lipinski, Director of Parks and Recreation, has reviewed the bid and finds that it meets specifications. The bid was received from Dearborn Lithographics in the amount of $14,514.50. It is specified that the final product be delivered to the Roseville Post Office by December 10, 2007. Dearborn Lithographics has printed other nearby municipality calendars and has done business with the City previously in a satisfactory manner.

Therefore, it is recommended that we accept the bid submitted by **Dearborn Lithographics** in the amount of **$14,514.50**.

RE: 2008 City Calendar Bid

I have reviewed the bid for printing the 2008 City of Roseville Calendar and recommend awarding the bid to the lone bidder, Dearborn Lithograph, Inc. in the amount of $14,514.50. This is slightly above the amount we paid for printing the past two years' calendars, but well below the amount of the low bid for the 2003 Calendar which was $23,000.

We have experience with Dearborn Lithograph, Inc. and they have performed satisfactory work.

Should you need more information, please let me know.

Re: Roof Replacement for Police Station, DPW & Sanitation Buildings
Bid # 450-010709

Bid Advertised:	August 29 and September 4, 2007, Macomb Daily
PreBid Meeting:	September 10, 2007 at 10:00 a.m.
Bid Due:	September 17, 2007 at 11:00 a.m.
Present at Bid Opening:	Paul VanDamme, Purchasing Assistant Teresa Pruzinsky, Intermediate Clerk Bernie Larsh, Building Maintenance Foreman Representatives from Royal Roofing, Newton Crane Roofing, Port Huron Roofing, and CEI Roofing

Specifications were prepared for a Firestone Roofing System Replacement for the older section of Police Station, DPW & Sanitation Building. Proposal forms were sent to sixteen (16) roofing contractors. Eleven (11) contractors attended the Pre-Bid Meeting as required. Five (5) contractors responded with bid proposals.

Mr. Bernie Larsh, Building Maintenance Supervisor, and Mr. Tony DeBoard, Firestone representative have reviewed all bids. The low bid, meeting all plan specifications was submitted by CEI Roofing in the amount of $428,500. CEI Roofing is a Master Roofer and has been in the roofing business for 40 years. They are a union roofing and sheet metal company as well. The roof will have .060 thick non-reinforced thick EPDM and a 20-year Red Shield Warranty.

References for CEI Roofing have been supplied and confirmed. They have done commercial roofing projects in other Michigan municipalities including cities of Livonia, East Lansing, Ann Arbor, Grosse Pointe Farms, and Wyoming.

As an option, a quote was requested for the small garage at the DPW Building. As the roof on this building is also in dire need of repair, the awarding of this option would put the garage roof on the same warranty schedule as the DPW and Sanitation Buildings. CEI Roofing quoted $9,100 to replace garage roof.

Therefore, it is recommended that the low bid for the roof replacements submitted by **CEI Roofing** in the amount of **$428,500** plus the optional garage roof at a cost of **$9,100** for a total amount of **$437,600** be accepted. Should you have any questions, contact my office.
