Mayor
City of Roseville

Roseville, MI 48066

Dear Mr. Haugh:

Community Assessment Referral & Education (CARE) acts as the fiduciary for Greater Macomb Project Vox, the Voice of Recovery. Members of Greater Macomb Project Vox are people in recovery from substance use disorders and their families and friends. They are part of a country wide movement that wants to promote access to recovery modalities; and educate our communities about how to overcome the barriers of stigma and discrimination. Research has shown that when adequate treatment is available, recovery is not only possible but probable.

I am writing this letter to ask that you, on behalf of the City of Roseville, issue a proclamation supporting September as Recovery Month. I have enclosed a draft proclamation and a list of those that supported this effort through issuing a proclamation in 2006. I hope that you will assist Greater Macomb Project Vox members in their mission.

Please feel free to call me should you have any questions.

Sincerely,

Kathy

Undersigned has had several phone conversations with [redacted] and he feels that it was an accidental fire and should not be held responsible for fees charged by the Fire Department and the City of Roseville.

As of this date, an unpaid balance of $3368.33 has not been paid as a result of a negligent open burning at the above referenced address. Due to [redacted] negligence of having a fire to close to a structure without a water source and leaving the fire unattended, the Roseville Fire Department sent a bill to [redacted] for fees charged for the cost to manage this incident. Additionally, [redacted] caused other damages to neighbor's on either side of him as well as to a neighbor behind him (Structures and Vehicles).

At this time, I am asking permission to be the authorized filer for this action with assistance for our city attorney.

Respectfully,

Craig Robertson
Fire Marshal
