---

The Traffic Bureau of the Roseville Police Department is requesting a T.C.O. be issued for No Parking Signs on Cornillie Drive. These signs need to be posted on the north side of Cornillie Drive across from the driveway of 20380 Cornillie (Northern Industrial Products). They should be at least 40 feet from the edge of each side of the driveway. Northern Industrial Products regularly have larger trucks entering their premises that require more room on the street to be able to make a wider turn into the property.

After numerous negotiation sessions we are presenting an offer from the Roseville Police Officers Association for the following concessions for the last year of their contract.

1) Increase members annual Retirement Contribution by 5% (From 7% to 12%) for period from July 16, 2011 through June 30, 2012.

2) Continuation of the 12 hour shifts program implemented last year, with some mutually agreed to operational changes.

3) Minimums will be reduced during non-peak hours, to reduce overtime.

4) The mutually agreed upon withdrawal of an existing grievance regarding the recent change in the City's health care network, as a settlement has been agreed to.

While I am disappointed that the package voted on and approved by their membership is less than all of the other groups to date, I would recommend that the City Manager and Mayor be authorized to sign the required "Letter of Agreement."
