

New Electronic Filing System Fees effective March 1, 2016

Beginning March 1, 2016, a new electronic filing system is required to be collected by all courts, regardless of whether the cases are e-filed.

The new electronic filing system fee is increased from \$5.00 to \$20.00.

The new fees will be collected for five years to fund a comprehensive statewide e-filing system.

For further information, please review Public Act 236 of 1961, chapter 19A, Electronic Access to Courts (MCL 600.1985 – MCL 600.1993)
