Re: **SALE OF LOGAN'S ROADHOUSE, INC.**

Logan's Roadhouse, Inc., is seeking to transfer ownership of its stock from existing shareholders, CBRL Group, Inc. to LRI Holdings, Inc. Both groups are publicly traded companies. Logan's has 15 restaurants that will be affected by the change of ownership. The Roseville location is 30751 Gratiot Ave.

Logan's Roadhouse is a Class C licensed establishment which allows sale of alcoholic beverages for consumption on the premises. Attorney's for Logan's indicate that there will be no operational changes in the restaurant and even the restaurant employees may not know that a change has occurred. It is also anticipated that Logan's will continue to maintain their record of compliance with local laws and ordinances as well as with the rules and regulations of the Michigan Liquor Control Commission.

I have discussed this matter with Chief Heinz and he concurs with my recommendation that this request be approved by the Roseville City Council.

BUILDING DEPARTMENT

TO: **Steve Truman, City Manager**

FROM: **Glenn Sexton, Building Director**

DATE: **February 8, 2007**

RE: **Abatement of Public Nuisance at 19778 14 Mile Road**

On February 13, 2007 the City Attorney, Tim Tomlinson, will present a resolution to City Council for condemnation of the above referenced property. The structure on this property is the shell of a new house that was issued a building permit in February 2004. Construction has been abandoned for over fifteen months. The building, at the time it was sent to the City Attorney to begin the process, had exposed plywood (OSB) siding, no doors or windows and was not secure. Since receiving notice from out Attorney about the forthcoming condemnation hearing, the owner/builder has resumed working on the building. The property owner and builder have a history with our department of showing little concern of how their construction projects impact their neighbors or the City in general. Given the contractors history with us, I would recommend that Council pass the resolution even though construction has resumed.

Re: Industrial Facilities Exemption

Dear Mr. Truman:

In April of 2005 Wolverine Plating was issued an Industrial Facilities Exemption Certificate for Real and Personal Property. The amounts approved were **$3,309,630** for real property and **$1,150,000** for personal property. Our actual cost has been finalized for real property, and the cost for personal property has been estimated at an amount that we are confident will be within 10% of the final actual cost. The amount for real property is actually **$2,294,013** and for personal property is **$1,603,226.**

If possible, would you please update our Industrial Facilities Exemption Certificate to reflect the new amounts.

If you should have any questions please contact me at 586-771-5000 x215. Thank you for your attention to this matter.

Re: **Road Materials – Bid # 592-010701**

Bid Due:	January 30, 2007 at 11:00 a.m. Local Time
Bid Advertised:	December 12, 2006, Macomb Daily
Present at Opening:	Paul VanDamme, Purchasing Assistant Jill Cross, Administrative Assistant Reps From: Barrett Paving Materials and Ajax Materials

The Water Department wrote specifications for Road Materials for Year 2007. Invitations to bid were sent to seventeen (17) companies with six (6) companies responding. Note one (1) bid was received from a Roseville business.

This year, the City did not bid for fill sand as J.T. Express honored the option of a two-year renewal per the terms of last year's bid. The bid received from the Roseville business for Cold Patch did not meet specifications.

The low bid meeting specifications for Slag 22x was from Edward Levy in the amount $7.24/ton on the estimation of delivery of 200 tons. The low bid meeting specifications for Winter Mix was from Saginaw Asphalt in the amount of $69.68/ton on the estimation of delivery of 350 tons. The low bid meeting specification for Cold Patch as from Barrett Paving Materials in the amount of $93.00/ton on the estimation of pick-up 150 tons. The breakdown is as follows:

Material	Company	Amount	Unit Price	Total
Slag 22X	Edward Levy	200 Tons	7.24	1,448.00
Winter Mix	Saginaw Asphalt	350 Tons	69.68	24,388.00
Cold Patch	Barrett Paving	150 Tons	93.00	13,950.00
			TOTAL	**$39,786.00**

The Water Department has reviewed all bids and finds that the low bidders meet specifications. The City has successfully done business with Edward Levy, Saginaw Asphalt and Barrett Paving Materials.

Therefore, it is recommended, based on estimated quantities, 22X Slag be awarded **to *Edward Levy*** in the amount of **$7.24/ton**; Black Top/Winter Mix be awarded to ***Saginaw Asphalt*** in the amount of **$69.68/ton**; Cold Patch be awarded to ***Barrett Paving Materials*** in the amount of **$93.00/ton**.

The total, based on estimated quantities, for Road Materials is $39,786.00. Should you have further questions, contact me.
