

**Public Act 207 of 1941 (the Fire Prevention Code) was amended by Public Act 67 of 1986 by the addition of Section 5p, which reads as follows:**

Sec. 5p (1) A person who is also an employer under the Michigan occupational safety and health act, Act No. 154 of the Public Acts of 1974, being sections 408.1001 to 408.1094 of the Michigan Compiled Laws, shall provide the information described in this section upon written request by the Chief of the organized Fire Department for the jurisdiction in which the person is located.

(2) A person subject to this section shall provide a copy of the list required to be developed by the standard incorporated by reference in section 14a of the Michigan occupational safety and health act and a material safety data sheet for each hazardous chemical identified on the list within 10 working days after receipt of the request.

(3) Except as otherwise provided in subsection (4), a person subject to this section shall provide a description of the quantity and location of any hazardous chemical specified by the Chief of the organized Fire Department within 10 working days after the receipt of a written request made by the Chief after review of the lists provided under subsection (2). Upon request, the Chief of the organized Fire Department may extend the period for providing the information described in this subsection by an additional 5 working days. The information obtained by a Chief of an organized Fire Department under this subsection may be made available to a public official, agency, or employee, but is exempt from disclosure under the Freedom of Information Act, Act No. 442 of the Public Acts of 1976, being sections 15.231 to 15.246 of the Michigan Compiled Laws.

(4) The State Fire Marshal may promulgate rules to exempt from the application of subsection (3) de minimis and portable quantities of hazardous chemicals. A rule authorized by this subsection shall be promulgated pursuant to the Administrative Procedures Act of 1969, Act No. 306 of the Public Acts of 1969, being sections 24.201 to 24.328 of the Michigan Compiled Laws.

(5) A person subject to this section shall provide to the Chief of the organized Fire Department a written update of the information required by this section when there is a significant change relating to fire hazards in the quantity, location, or presence of hazardous chemicals in the workplace.

(6) An ordinance, law, rule, regulation, policy, or practice of a city, township, village, county, governmental authority created by a statute, or other political subdivision of the state shall not require that a person who is also an employer under the Michigan Occupational Safety and Health Act provide to a Chief of an organized Fire Department information regarding hazardous chemicals in the workplace in any other manner or to any greater extent than is required by this section or rules authorized by this section.
