

Notice to the Public

It is the intent of the Roseville Police Department to apply for a grant from the United States Department of Justice Byrne Memorial Justice Assistance Grant Program to purchase an advanced Crash Data Retrieval System. This system allows for the download of all pertinent vehicle data from a vehicle's onboard computer system after having been involved in any type of collision. This data is highly valuable in determining the causation of a crash and assist investigators in determining what charges, if any, should be sought.

This notice is to advise the citizens of Roseville of the grant application. Interested parties who wish to comment on the grant or its intended purpose may contact the City Manager's Office at 29777 Gratiot or 586.445.5410.
