Request for Proposals

General Attorney Services

The Recreational Authority of Roseville and Eastpointe is seeking proposals for General Attorney Services. The Authority is seeking services encompassing the traditional scope of work, including general legal counsel, formal opinions and consultation with the Board and staff, employment law, purchasing, etc.

HISTORY

The Recreational Authority of Roseville and Eastpointe was created in 2011 when the two aforementioned cities created it under the authority granted by Public Act 321 of 2000. The Authority was formed for the purpose of constructing, operating, owning, maintaining and/or improving recreational facilities, including but not limited to parks, swimming pools recreation centers, auditoriums and any other facilities authorized by Act 321. The Authority is governed by a board consisting of five members. Each participating city appoints two members and they in turn appoint the fifth and final member. The Board is responsible for setting policy, adopting the budget, setting fees, approving contracts, land acquisition, planning of new recreation facilities and appointing an Executive Director, Assistant Director and Senior Director. The Executive Director is responsible for overseeing the day-to-day operation and carrying out the policies of the Authority Board. Finally, a copy of the Articles of Incorporation and the By-laws of the Authority are attached.
