Licensing Guidelines are as follows:

- A. The owner of a dog that is four months old shall apply to the Police Chief, or his or her designee, for a license for each dog owned or kept by him or her. Licenses shall be procured for the duration of the rabies vaccination. Any prior licensee who fails to renew an expiring license before 30 days after the current license expires shall be subject to the additional charges.
- B. The applicant must present a rabies certificate which shall state the breed, sex, age, color and markings of the dog and the name and address of the owner. The application for a license shall be accompanied by a valid certificate of a current vaccination for rabies, with a vaccine licensed by the United States Department of Agriculture, signed by an accredited veterinarian. The certificate of vaccination for rabies shall state the month and year of expiration for the rabies vaccination, in the veterinarian's opinion.
- C. The owner of a dog that is required to be licensed under this section shall keep the dog currently vaccinated for rabies by an accredited veterinarian with a vaccine licensed by the United States Department of Agriculture.
- D. The applicant must pay the licensing fee prior to the issuance of the License. There will be a renewal license fee for un-neutered or un-spayed dogs and a renewal license fee for neutered or spayed dogs. A fee will be charged for each duplicate license that is requested.
- E. A dog which is used as a guide or leader dog for a blind person, a hearing dog for a deaf or audibly impaired person or service dog for a physically limited person is not subject to any fee for licensing. This exemption shall extend to "Paws for a Cause."
