From: Paul VanDamme, Purchasing Assistant
Date: November 1, 2016
Re: Single Source Vendor, Elgin Whirlwind Street Sweeper

Attached is a Purchase Requisition DPW1562, memo from Jeffrey Schmidt, DPS Assistant Director, a quote for an Elgin Whirlwind Street Sweeper and lease terms. This is a single source vendor allowed by City Code through Cooperative Purchasing. The quotation is through the State of Michigan MiDeal Contract #071B300075 in the amount of \$257,907 plus \$23,258 in interest for a total of \$281,165 from Bell Equipment of Lake Orion, Michigan. The interest is 2.92% on a five year Municipal Lease Purchase financed through TCF Equipment. At the end of the lease term the City will purchase the sweeper for \$1.00. The lease terms were approved by yourself and John Walters, City Controller.

The sweeper's specifications were reviewed by George Beindit, Garage Foreman, Jeffrey Schmidt, Assistant DPS Director and approved by Tom Aiuto, DPS Director. The City has done satisfactory business with Bell Equipment Company in the past. The project is a budgeted item for DPS. Council will have to approve this purchase due to it being a single source vendor

If you have any questions please contact Tom Aiuto or myself.

Re: Purchase of Street Sweeper

Scott,

We have completed our demo's of the Elgin Whirlwind and Global Street Sweepers.

I recommend the Whirlwind for the following reasons:

- I prefer to have one mechanical and one vacuum sweeper in our fleet. The Whirlwind is vacuum and we currently have a mechanical in our fleet.
- Bell Equipment is a local company and a Michigan company. Our money and support stay in Michigan. If we need parts, Bell is 30 minutes away, MTech is out of Cleveland Ohio.
- Bell sweepers are on the MIDEAL contract, any sweeper purchased off of this contract, the money stays and goes to the State of Michigan.
- Our operators all prefer the Whirlwind.

I have enclosed the pricing for both, if you need anything further or have any questions please let me know.

Respectfully,

Jeffrey Schmidt
