We are requesting approval to purchase three Stryker Stretchers. We use Stryker stretchers exclusively due to training, maintenance and parts issues.

We have funds allocated in our current budget for the purchase of one power stretcher. We have also received an AFG Grant (paperwork attached) for the purchase of two additional stretchers making a total of three. We are seeking to save money and time in the bid process by purchasing these stretchers utilizing a standing bid provided by the city of Dearborn (attached). If you have any questions, please feel free to contact me.
