MASONIC BOULEVARD RESURFACING PROJECT KELLY ROAD TO GRATIOT AVENUE

This notice is to advise you that the Masonic Boulevard Resurfacing Project is scheduled to begin on July 18, 2016 and the contractor will be Florence Cement.

The construction limits are from Kelly Road to Gratiot Avenue. The construction is expected to be completed by October 28, 2016, weather permitting. Construction will consist of milling existing surface, concrete base repair where necessary and hot mix asphalt resurfacing.

The project will take place in two stages. Stage one will be the lanes on the north side of Masonic and Stage two will be the lanes on the south side. During Stage one, from mid-July to mid to late August, traffic will be eastbound only. During Stage two, from late August to early October, traffic will be westbound only.

There will be a public meeting on Thursday , July 7, 2016 at 7:00 PM in Council Chambers, 29777 Gratiot, to address any questions pertaining to the project.

Residents and businesses will have access to drive approaches unless notified in advance by the contractor.

The mail service will be not be interrupted by the construction.

Trash pick-up will be handled by the contractor. Please place your trash out as usual at the end of your drive (after 6:00 PM the previous evening or by 7:00 AM on the day of pick up) and it will be taken to the nearest available location for pick up. We ask that you mark your address in **bold letters** on your trash and recycling carts to assist in the return. Please use brown kraft bags for grass clippings rather than cans during this project.

A Facebook group page has been created for this project. It can be found by typing [Masonic Road Project Roseville Michigan](#) into the search bar on Facebook. This page has pdf's of the construction stages and will provide updates on the construction schedule as well as pictures and videos throughout the project. Please request to join the group and you will be verified.

We thank you for your patience and cooperation during this project. If you have any questions please contact the City of Roseville Engineering Department at (586) 445-5445.
